

Showin Out

Cinnamon

get fresh
g-g-get fresh (fresh) (fresh) (fresh) (fre)
get fresh
fre-fre-fre fre fre-fre-fre fre
get fresh on the weekend
showin' out
showin' out
I'm showin' out
showin' out (showin' out)
I'm showin' out[crowd noises]showin' out (showin' out)
I'm showin' out (showin' out)
I'm showin' out (I'm showin' out)
you'd rather live in love than luxury
(it's alright)
and don't go dining out on foolish dreams
(every night)
it only takes a moment to feel alrightget fresh on the weekend
showin' out
get fresh on the weekend
showin' out
showin' out
showin' out
I'm showin' out
showin' out
I'm showin' outcant afford to wear diamonds and pearls
(that's ok)
wouldn't want to be that kind of girl
(anyway) (yeah yeah yeah)
it only takes a moment to feel alrightget fresh on the weekend
showin' out
get fresh on the weekend
showin' out
showin' out
showin' out
showin' out (showin' out)
showin' out
I'm showin' out (showin' out)
showin' out
I'm showin' out

let's celebrate
nice nice nice nice nice nice nice nice
