

She Is Love

[Blaqstarr](#)

Artistic flowing perfect picture and frame
She said she could feel me coming and she screaming my name
And here she was, she was she called me lover, she called me lover
She gets me off, ah, ah
Does she do like I show you
Yeah that's all it's all about
The mystery, yeah that's all it's all about
Yeah listen don't be difficult, I'm tryin' to tell you something
Listen don't be difficult she tellin' me I'm tellin' you She tellin' me I'm tellin' you
She tellin' me I'm tellin' you
She tellin' me that she is love
She tellin' me that she is love She tellin' me I'm tellin' you
She tellin' me I'm tellin' you
She tellin' me that she is love
She tellin' me that she is love But in the jelly surprise
And I think it's all it was
She's sorta kinda lost without advice
She's turning on the note the night Let's just go to the star seat, oh now
Let's get everything off tonight
She's sending love to me
I said tonight she's sending love to me She tellin' me I'm tellin' you
She tellin' me I'm tellin' you
She tellin' me that she is love
She tellin' me that she is love She tellin' me I'm tellin' you
She tellin' me I'm tellin' you
She tellin' me that she is love
She tellin' me that she is love Dang, shout let it all out
Don't you listen this time
This is what she said
I'm turning light on again
And Wut the red light on
You wanted them I'll put the red light on Dang, shout let it all out
Don't you listen this time
This is what she said
I'm turning light on again
And put the red light on
You wanted them I'll put the red light on Now baby it is her always telling me
What I am telling you at this moment
You see I am kinda sorta her interpreter

I have extra abilities baby
And one of them is I communicate with cats
She tellin' me I'm tellin' you
She tellin' me I'm tellin' you
She tellin' me that she is love
She tellin' me that she is love
She tellin' me I'm tellin' you
She tellin' me I'm tellin' you
She tellin' me that she is love
She tellin' me that she is love
She tellin' me that she is love
