

High Roller

Oliver Klein

Jump in my love car, don't have to go very far
Just far enough to show you a thing or two
I can really swing the best of everything
And I want to have a thing with you High roller, what I buy is mine
And I always get the things that I choose
My, my, my, such a high high high roller I know he's gone away and left you
I'll take real good care of you I'm in the mood for love, you're all, I'm thinking of
I'll make you feel alright, when we're alone
I can really swing, the best of everything
And I want to have a thing with you High roller, what I buy is mine
And I always get the things that I choose
My, my, my, such a high high high roller, is that you? I knew you'd be here tonight and I'll make it alright
I'll take real good care of you
I'll tuck you in tonight and I'll make it alright I know he's gone away and left you
I'll take real good care of you
