

Shadow of the Moon

Blackmore's Night

In the shadow of the moon
She danced in the starlight
Whispering a haunting tune
To the night Velvet skirts spun 'round and 'round
Fire in her stare
In the woods without a sound
No one cared Through the darkened fields entranced
Music made her poor heart dance
Thinking of a lost romance
Long ago Feeling lonely, feeling sad
She cried in the moonlight
Driven by a world gone mad
She took flight "Feel no sorrow, feel no pain
Feel no hurt, there's nothing gained
Only love will then remain"
She would say Shadow of the moon
Shadow of the moon
Shadow of the moon
Shadow of the moon Through the darkened fields entranced
Music made her poor heart dance
Thinking of a lost romance
Long ago Somewhere just beyond the mist
Spirits were seen flying
As the lightning led her way
Through the dark In the shadow of the moon
She danced in the starlight
Whispering a haunting tune
To the night Shadow of the moon
Shadow of the moon
Shadow of the moon
