

# Sell Me a Coat (Remixed Version)

**David Bowie**

La la la la la la  
La la la la la la laA winter's day, a bitter snowflake on my face  
My summer girl takes little backward steps away  
Jack Frost took her hand and left me  
Jack Frost ain't so coolSell me a coat with buttons of silver  
Sell me a coat that's red or gold  
Sell me a coat with little patch pockets  
Sell me a coat 'cause I feel cold  
And when she smiles, the ice forgets to melt away  
Not like before, her smile was warming yesterday  
See the trees like silver candy, feel my icy handSell me a coat with buttons of silver  
Sell me a coat that's red or gold  
Sell me a coat with little patch pockets  
Sell me a coat 'cause I feel coldSee my eyes, my window pane  
See my tears like gentle rain  
That's the memory of a summer daySell me a coat with buttons of silver  
Sell me a coat that's red or gold  
Sell me a coat with little patch pockets  
Sell me a coat 'cause I feel cold  
Sell me a coat with buttons of silver  
Sell me a coat that's red or gold  
Sell me a coat with little patch pockets  
Sell me a coat 'cause I feel coldLa la la la la (repeat)
