

# Blue(Bird Shake Mix)

## A Perfect Circle

I didn't want to know  
I just didn't want to know  
Best to keep things in the shallow end  
'Cause I never quite learned how to swimI just didn't want to know  
    Didn't want  
    Didn't want  
    Didn't want  
    Didn't want  
    Didn't wantClose my eyes just to look at you  
    Taken by the seamless vision  
        I close my eyes  
        Ignore the smoke  
        Ignore the smoke  
    Ignore the smokeCall it aftermath, she's turning blue  
        Such a lovely color for you  
    Call it aftermath, she's turning blue  
While I just sit and stare at youBecause I don't want to knowI didn't want to know  
    I just didn't want to know  
    I just didn't wantMistook their nods for an approval  
Just ignore the smoke and smileCall it aftermath, she's turning blue  
    Such a lovely color for you  
    Call it aftermath, she's turning blue  
    Such a perfect color for your eyes  
    Call it aftermath, she's turning blue  
    Such a lovely color for you  
    Call it aftermath, she's turning blue  
While I just sit and stare at youI don't want to know
