Knockers

The Darkness

Oh lord I'm so bored
Living on my own
The demolition derby
They say your pushing thirty
Well pushing thirty stone

Oh Christ I am tired
I want you in my sack
Your party mouth
Your anything but classy
I've just got to get you back

Its been a while,
Since I've seen you smile
But the old magic's still there !

I love what you've done with your hair
Oh yeah
I just love what you've done with your hair
Oh yeah

Oh crumbs I'm all thumbs
Lying here with you
You're beautiful and busty
I'm a little rusty
I've forgotten what to do

Its been a while
Since I made you smile
But the old magic is still there !

I just love what you've done with your hair
Oh yeah
I really love what you've done with your hair
Oh yeah
I love what you've done with your hair
Oh yeah
I really love what you've done with your hair
Oh yeah
