

So Ignorant (feat. Nate Dogg, Kokane & Kurupt)

Yukmouth

Every time I smoke, I smoke indo smoke
It happens every time I drink, somebody better call my shrink
I'll beat it 'til the pussy's weak
Some niggaz don't sleep man I don't blink
Sometimes I think I over-think
Sometimes I feel like, somebody's watchin' me You motherfuckers can't figure it
Why niggaz so ignorant, ignorant
You motherfuckers can't figure it
Why niggaz so ignorant, ignorant We drink beer and smoke cigarettes
'Cause we niggaz so ignorant, ignorant
We bang bang 'cause we're ignorant
Motherfuckers can't figure it, figure it I'm the epitome of this rap game
The most controversial name, they call me Kokane
I'm so ignorant, black ladies be hidin' they purse with white ladies
Fifty niggaz in a Navigator, and a Range Rover Blowin' bomb sticky doja
Lookin' at these studio gangsters gettin' over
It's Yuk and Kokane and Nate Dogg, we stay true
Snatch yo wack ass off stage, we all gonna laugh at you Ah, I wear the same khakis for about four days
And I, I don't brush my teeth, 'cause I got tooth decay
I keep the door open when I shit
And if I'm fucked up sometimes, I forget to flush it, ew Fuck respectin' my elders, they ain't gon' get it soft
Cut in front of a eighty year old lady, and flip her ass off
I taught my thirteen year old son how to slang
PCR, Dogghouse when I bang, and I'm out, nigga You motherfuckers can't figure it
Why niggaz so ignorant, ignorant
You motherfuckers can't figure it
Why niggaz so ignorant, ignorant We drink beer and smoke cigarettes
'Cause we niggaz so ignorant, ignorant
We bang bang 'cause we're ignorant
Motherfuckers can't figure it, figure it What? Nigga, ery'thang, ery'thang
Motherfuckers get sprayed fuckin' wit Yuk, Kokane and Nate
Since back in the day, been slangin' crack nay, packin' a gauge
Diamond taps on our braids, pack a case, stack it away Y'all niggaz perform overseas then back to the states
When subtractions are made, thug money the blueprint
Regime Killers, my click too sick, we rule shit
And to spit at a few clicks, rob motherfuckers who move bricks Pop motherfuckers wit loose lips
Bitches who snitch out's finna get hit, get put in a ditch
Yukmouth runnin', livin this shit
Ice Cream Man, I invented this shit

Ain't no gimmicks to this, my shit is rugged and hardcore
Give Killa Cali niggaz what they starve for
Bring y'all war like, "What's the issue?"
I shoot up everybody, even an ugly fat bitch too
If I get you [unverified] another shit on you ridiculous
Give that nigga some tissue, let that bitch know, I'm ig'nant
You motherfuckers can't figure it
Why niggaz so ignorant, ignorant
You motherfuckers can't figure it
Why niggaz so ignorant, ignorant
We drink beer and smoke cigarettes
'Cause we niggaz so ignorant, ignorant
We bang bang 'cause we're ignorant
Motherfuckers can't figure it, figure it
Are you real motherfuckers, for real motherfucker?
Well I ain't real, I'm ultra magnetic bitch
I'm somethin' you don't wanna fuck wit
I'm the nigga wit the pistol, launchin' six from the clip
I'ma eclipse the moon like pitch black nigga
Nate, Yuk, Kokane, Kurupt we back nigga
Yak in a 'llac nigga, Young ready to collapse lungs
Two shots make slums collapse niggaz
See me face to face, talk that shit
Pretend you on the moon Michael walk that shit
What up pretty mama, A.K. pretty bitch
This Kurupt, I know you fucks to get rich
I met many bitches, in my day
Got the homies on the left side, holdin' the 'K
Kurupt, the analytical, phenonomal, the most anticipated
Highly hated, top graded
Ig'nant than a motherfucker, I don't give a fuck
You motherfuckers can't figure it
Why niggaz so ignorant, ignorant
You motherfuckers can't figure it
Why niggaz so ignorant, ignorant
We drink beer and smoke cigarettes
'Cause we niggaz so ignorant, ignorant
We bang bang 'cause we're ignorant
Motherfuckers can't figure it, figure it
