

Stainsby Girls

Chris Rea

Some girls used to kiss and run
I never knew what they had done
Some girls always wasted time
They keep you hanging on the line
Some loved horses and always stayed at home
But a Stainsby girl loved the Rolling Stones
Now some had games that you had to play
Making rules along the way
Strange attractions newly found
Pride and passion kicked around
Some girls stole your heart
Like most girls do
But a Stainsby girl she could break it in two
And I fell in love, I fell in love
I fell in love, yeah
I fell in love, with a Stainsby girl
Deepest water Stainsby blue
Running straight, and running true
Names and faces fade away
Memory here to stay
Some girls steal your heart
Most still do
But a Stainsby girl she could break it in two
I fell in love, I fell in love
I fell in love, yeah
I fell in love, with a Stainsby girl
