

# They Can't Take That Away from Me

Brian Wilson

The way you wear your hat  
The way you sip your tea  
The memory of all that  
No no, they can't take that away from me  
The way your smile just beats  
The way you sing off key  
The way you haunt my dream  
No no, they can't take that away from me  
We may never never meet again  
On this comfy road to love  
Still I'll always always keep that memory of  
The way you hold your knife  
The way we dance till 3  
The way you changed my life  
No no, they can't take that away from me  
No they can't take that away from me  
(Bridge) Wop bop bop, wop bop  
bi da di da di  
We may never never meet again  
On this comfy road to love  
Still I'll always always keep that memory of  
The way you hold your knife  
The way we dance till 3  
The way you changed my life  
No no, they can't take that away from me  
No they can't take that away from me  
Wop bop bop, wop bop bi da di  
da di (fade)
