

Play It Cool

Crobot

Well there's no time for introductions.
We gotta move quick and get fast.
When the chase is on you don't want to be last - No.
Well you see the sky is fallin' - I saw it with my own eyes.
Don't look back, just run for your lives.[Pre-Chorus]
Don't be afraid, just get inside.
Forget the odds, we'll just let it ride.
Don't be afraid, just get inside.
Lay it on the line.[Chorus]
Hey! No, it's alright!
Just play it cool, it's on the roll of the dice.
Hey! No, it's alright!
Just play it cool, it's on the roll of the dice.
Betting on your life. Well I know you think I'm crazy.
And maybe you would not be wrong.
But if I didn't know, how did I last this long?
Better believe they're always watchin'.
They got their evil eyes up high.
You couldn't hide even if you tried.[Pre-Chorus]
[Chorus]Betting on your own life
[Pre-Chorus]Betting on your own life x4
