Pistol in My Hand

Flickerstick

Hey I'm a man and I'm feeling so into you

Hey I'm a man and I'm feeling so into you

Don't you lie, they may follow

I still can't see you smile

Hey I'm a man and I'm feeling so into youSave yourself this emotion

They want to see you drown

Let it out, this emotion

Your sin is coming out

Said I'm into youOhhh...So you lie right here

Fear not, I know

Take me for fear

Don't lose controlSo don't you run

I may follow

I still can't see you smile

Tell yourself

Things they march on

They want to see you drownBabe, don't run

Baby, don't run'Cause I've got a gun

I've got a gunI've got a pistol in my hand

I'm making my stand

While you all look around

I've got a pistol in my hand

I'm making my stand

While you all look around

I've got a pistol in my hand

I'm making my stand

While you all look around

I've got a pistol in my hand

I'm making my stand

While you all look around

I've got a pistol in my hand

I'm making my stand

While you all look around

I've got a pistol in my hand I'm making my stand While you all look around
