

# Sunday Afternoon

## A Bad Think

Yeah, on the remix to up Sunday afternoon, yo  
DOA, bring it to me, baby  
Well, well, well  
Listen to me, baby I  
Bright and early Sunday morning  
I go to church and thank the Lord for another day  
And when the service is over  
I spend a little time with my family  
And then we all get together  
Just for a bite to eat and to cool out  
That's when I gotta go somewhere by myself  
I need a minute to unwind  
And when the sun starts going down  
That's when I go to the park  
(On a Sunday afternoon)  
On a Sunday afternoon, having fun  
(Having so much fun)  
Everybody's just chillin', yes, they are  
(Everybody's just chillin')  
On a Sunday afternoon  
(On a Sunday afternoon, yeah)  
I see the brothers outside  
Gettin' their cars together for that evening ride  
They'll be cruising through the park  
Checking out the honies way before it gets dark  
Everybody's having fun  
Everybody's cold gettin' down  
Rollin' in their Jeeps  
Pumpin' the funky sounds of me, Bobby Brown  
Just wrappin' up another weekend  
That's when I go to the park  
(On a Sunday afternoon)  
On a Sunday, baby, afternoon  
(Having so much fun)  
Everybody's, everybody's just chillin'  
(Everybody's just chillin')  
On a Sunday afternoon  
(On a Sunday afternoon)

DOA, do me a favor, play baby, come on

Yeah, like it like that  
On a Sunday afternoon  
On a Sunday, when the sun is going down  
We'll be coolin' and just kickin' around  
Everybody's just having so much fun  
Sunday afternoon  
On a Sunday afternoon  
We'll be strollin' and rollin' through the park  
Just cruisin', havin' fun after dark  
On a Sunday afternoon  
Just me and my lady  
(On a Sunday afternoon)  
Well, well, and my two little girls  
(Having so much fun)  
And I can't forget about my two sons the [Incomprehensible]  
We're just chillin'  
Everybody's just chillin'  
On a Sunday afternoon  
(On a Sunday afternoon)  
(On a Sunday afternoon)  
On a Sunday afternoon  
(On a Sunday afternoon)  
You know, well I'd just like to say  
After all the talk they have said about me  
And about my family  
(On a Sunday afternoon)  
We're all just chillin', yo  
Still together, and we're still together  
Yeah, B.Brown is outta here  
Ghost  
On a Sunday, when the sun is going down  
We'll be coolin' and just kickin' around  
Everybody's just having so much fun  
Sunday afternoon  
They'll be strollin' and rollin' through the park  
Just cruisin', havin' fun after dark
