

The Boys Are Back

Dropkick Murphys

The boys are back
The boys are back
The boys are back
And they're looking for trouble
The boys are back
The boys are back
The boys are back
And they're looking for trouble
The boys are back
The boys are back
The boys are back
And they're looking for trouble
The boys are back
The boys are back
The boys are back
And they're looking for trouble Standing on the highway 93,
Im missing my home, and its killing me
Down the ramp passed the jail, Im feeling alright
Bought roses for my ladies from a corner
Its time to get ready for that song and dance
Lets go my friends, its time to take a chance
Were back in town, were gonna get it done
We got nowhere to hide, we got nowhere to run
Its been a long time coming,
Its been a long time coming, Chorus:
The boys are back
The boys are back
The boys are back
And they're looking for trouble
The boys are back
The boys are back
The boys are back
And they're looking for trouble If that old familiar city could talk in here
You'd be just another nobody, you'd disappear
Your days are numbered, were back around
Were coming for you and youre going down
Its been a long time coming,
Its been a long time coming, Chorus:
The boys are back

The boys are back
The boys are back
And they're looking for trouble
The boys are back
The boys are back
The boys are back
And they're looking for trouble And we're coming for you
And we're coming for you The boys are back
The boys are back
The boys are back
And they're looking for trouble
The boys are back
The boys are back
The boys are back
And they're looking for trouble
The boys are back
The boys are back
The boys are back
And they're looking for trouble
The boys are back
The boys are back
The boys are back
And they're looking for trouble
