

# Ruby Red

Heather Nova

I've got a ruby red desire  
Like a virus like my last hope I've got a ruby red desire  
I've got to hear the red bird sing  
I've got to rip this cord  
And rinse this lazy blood  
Clear a path and walk away I've been waiting for the sky to fall  
I've been worried I could lose it all  
I've been waiting for the safety net  
Tell myself that I'm not ready yet And every memory's a dream  
And each uncertainty reminds me why  
I saw a kid outside playing by a moongate  
Making paper things that fly I've been waiting for the sky to fall  
I've been worried I could lose it all  
I've been waiting for the safety net  
Tell myself that I'm not ready yet I want to live ... I've been waiting for the sky to fall  
I've been worried I could lose it all  
I've been waiting for the safety net  
Tell myself that I'm not ready yet I want to live ...
