## Aniel

Show me show me (3xs)

What about, w-what about the one? Hold up can anybody really tell me why we stand up  
and shout and dance, waving our hands without a purpose  
cause everything I hear today is really really catchy catchy

but I can't quite catch on to the real real message.\*The way, the truth, the life is still Christ but  
how would you know from what is shown?

Between what's right and wrong is there separation?

I wanna know where we wen't wrong.\*\*What about the C.H.R.I.S.T?  
Somebody tell me. Somebody tell me.

Why don't we still B.E.L.I.E.V.E  
he never changes? His word is ageless

Well here's a wake up call,  
are you for him or against him?

Don't you know that you're losing time-time?  
So show me show me.

I wanna see what you're saying.

Don't need no wishy-washy-ness.

That's just not the way we act. No-uh-uh.Uh-uh~, Oh-uh-uh~, Uh-uh~  
What about the one, one?We're fighting for the only one  
who was and is and is to come.

Will you be ready (when he appears?)

Or will you give in to what sounds good,  
looks good, feels good? Am I understood?\*,\*\*What you see on MTV, in magazines,  
and what society says you should be  
is all designed to deceive and distract you  
from the one who died for you.\*\*
