

Ghetto War

Ondubground

police shooting bad boy
bad boy all over the ghetto
innocent voice stand chance yu no?
too much blood (?) in the ghetto
too much war too much gun
and I said no more fighting
time tonight now, Tellywar in a ghetto how far can you go?
war in ghetto where nobody know
war in a ghetto
war in a ghetto
when a youth got shot inna the ghetto last night
I'm mad when a youth take an other youth man life
