

# Restless Kind

## Night Ranger

Off on your own  
It's a lonely ride  
Seeing the things  
Only seen through your eyes  
Pick yourself up  
Gonna try it again  
Knowing that this time  
You're reaching the end  
The voice inside  
Made me feel that I can fly  
And you'll be there by my side  
Forever  
We're the restless kind  
Lay your broken dreams upon the road  
(And we will ride)  
We're the restless kind  
(In the morning light)  
See the tears and joy fall from your eyes  
(And we will ride)  
We're the restless kind  
Rolling down the road  
With the wind in your hair  
And maybe we're searching  
For something we can share  
One heart, one soul  
Hold a mountain of dreams  
The circle's unbroken  
And rough around the seams  
So don't you fear, my friend  
You know I'll love you till the end  
And I'll be there by your side  
Forever  
We're the restless kind  
Lay your broken dreams upon the road  
(And we will ride)  
We're the restless kind  
(In the morning light)  
See the tears, the joy fall from your eyes  
(And we will ride)  
We're the restless kind  
Yes, I know  
How the world can fall upon you  
And take you down, down, down  
And make you feel like you're hollow inside  
Do you understand  
I will light the candle  
And guide your soul  
(Down the highway)

And give you faith in the world, oh We're the restless kind  
Lay your broken dreams upon the road  
(And we will ride)  
We're the restless kind  
(In the morning light)  
See the tears and joy fall from your eyes  
(And we will ride)  
We're the restless kind (Oh woh, oh woh)  
Lay your dreams upon the line  
(Oh woh, oh woh)  
We're the restless kind  
(Oh woh, oh woh)  
See the tears, the joy  
(Oh woh, oh woh)  
(Oh woh, oh woh)  
(Oh woh, oh woh)
