

Start It Up

Robben Ford

My, my, my baby, you're my cup of tea
My, my, my I'm loving what you do to me You got a motor like a brand new car
So start it up for me Yes, yes, yes something in your sexy ways
Yes, yes, yes gonna love you all of my days You got a motor like a brand new car
So start it up for me Start it up, start it up you make me feel like romancin'
Start it up, start it up you make me feel like dancin'
You got a motor like a brand new car
So start it up for me The way you move such a finely tuned machine mmm
Such a solid groove the best I've ever seen You got a motor like a brand new car
So start it up for me The way you move such a finely tuned machine yes
Such a solid groove the best I've ever seen You got a motor like a brand new car
Baby start it up for me Start it up, start it up
You make me feel like romancin'
Start it up, start it up
You make me feel like dancin'
You got a motor like brand new car
So start it up for me
Start it up
