Blood (Chocolate Version)

Sparklemotion

You clean up so nice.
A gentle face I couldnt recognize
Theres blood in your eyes
I knew that someone had to pay your price
Shelter, a safe place
I couldnt find a way to escape
Theres blood on your face
I wish that there could be another way.You kiss and make nice.
A gentle face with a big surprise
Theres blood in your eyes
I knew that I was going to pay the price
Shelter, isnt safe
I couldnt find a way to escape
Theres blood on your face
You couldnt have it any other way.Is this what it seems?
Am I make believe?
Watching through your eyes
Im running out of time
