drink

Alehammer

Yeah hey x4
Time to have some drinks
We came in the club to get real drunk
And mother f*ing party
How about you?
Let's go!
Chorus:
One shot
Two shot
Three shot
Four
Take that bottle to the head add one f*ing more
One shot
Two shot
Three shot
Four
Take that bottle to the head add one f*ing more
Drink x7
Hey
Drink x7
Everybody
Drink x7
Hey
Drink x7
Everybody
Pour me another one x8
Hey
Pour me another one
Champagne, Vodka
Don Julio, Tequila
Let's drink it all and get this party off the meter
Ain't no saying no,no
Yo a$$ needs a drink, drink
Fire tracks or worse
I can't even f*ing think
Yeah
Get this party jumping
The bass is really pumping
I need your love higher

I need to tell her something
Yeah you're looking sexy
In your all pink
Stop being lame and have a f*ing drink
Chorus:
One shot
Two shot
Three shot
Four
Take that bottle to the head add one f*ing more
One shot
Two shot
Three shot

Four
Take that bottle to the head add one f*ing more
Drink x7
Hey
Drink x7
Everybody
Drink x7
Hey
Drink x7
Everybody
Pour me another one x8
Hey
Pour me another one
LMFAO:
First off I'm a pro at this
I walk in the club with the coldest b*tch
Straighten up you better focus b*tch
My glass half empty, pour some shit
As a matter of fact go ahead and drink that
Couple more shots now where your freak at
Leave that, now i need that
Shake your pu**y like a record go ahead and leak that
It's Redfoo the dude up in the place
Party Rock crew we doin' it by the case
Champagne is like a players base
When da girl's act naughty we sprey 'em up in their face
Yeah
It feels like college
I'll be the dude walking around with the beer goggles
Reach around and my bottle's cuz it
Looks like 4th of July when they bring them bottles

Chorus:
One shot
Two shot
Three shot
Four
Take that bottle to the head add one f*ing more
One shot
Two shot
Three shot
Four
Take that bottle to the head add one f*ing more
Drink x7
Hey
Drink x7
Everybody
Drink x7
Hey
Drink x7
Everybody
Pour me another one x8
Hey
Pour me another one.
