Unbreakable Heart

Three Days Grace

Hijacked when you weren?t looking
Behind your back, people are talking
Using words that cut you down to size
You wanna fight back, its building inside you
Holding you up, taking you hostage
Yeah, It's worth fighting for
They?ll try to take your pride, try to take your soul
They?ll try to take all the control,
They?ll look you in the eyes, fill you full of lies
Believe me, they?re gonna try
So when you're feeling crazy and things fall apart
Listen to your head, remember who you are
You?re the one, you?re the unbreakable
Heart, you?re the one
you?re the unbreakable heart
You?re the one, you?re the one
Hijacked when you weren?t looking
Behind your back, people are talking
Using words that cut you down to size
You wanna fight back, you?re out in the open
Your under attack, but your spirits not broken

You know it?s worth fighting for
They?ll try to take your pride, try to take your soul
They?ll try to take all the control,
They?ll look you in the eyes, fill you full of lies
Believe me, they?re gonna try
So when you feeling crazy and things fall apart
Listen to your head, remember who you are
You?re the one, you?re the unbreakable
Heart, you?re the one
you?re the unbreakable heart
You?re the one, You?re the one
Don?t look them in the eyes
believe me they?re gonna try
To fill you up with lies?.lies
They?ll try to take your pride, try to take your soul
You?re the one, you?re the one
Look you in the eyes, fill you full of lies

You?re the one, you?re the one
You?re the unbreakable heart
You?re the one, you?re the one
You?re the unbreakable heart
You?re the one, you?re the one
