Free Somebody

LUNA

English Translation:
We dyed each other with different colors
And there are full of different scents
The end of the five senses are soaked in dreamland
Where every senses are createdI know I know I know I know
Deep in your heart
It's there, it's there, it's there
Some unbelievable Dream
I know I know I know I know
Bet your everything
Now dive into yourself at least onceCuz I just wanna free somebody
Say what you feel
Tonight, You and I at this moment
On this free night, Ey yeah
I wanna free somebodyWe are the different stars from the beginnig
Will you shine with me in this moment
You make my heavy feet free from this earth for a momentI know I know I know I know
Deep in your heart
It's there, it's there, it's there
Some unbelievable Dream
I know I know I know I know
Bet your everything
Now dive into yourself at least onceCuz I just wanna free somebody
Say what you feel
Tonight, You and I at this moment
On this free night, Ey yeah
