

# Beating Heart Baby

## Head Automatica

(Beating heart, baby)  
Baby, is this love for real?  
(Beating heart, baby)  
Let me in your arms to feel  
(Beating heart, baby)  
The beating of your heart, baby  
(Beating heart, baby)  
The beating of your heart, baby  
You, you want nothing to do with me  
You, you want nothing to do with me  
I, I don't know what to do with you  
'Cause you don't know what you do to me  
Baby, is this love for real?  
Let me in your arms to feel  
Your beating of your heart, baby  
The beating of your heart, baby  
Baby, is this love for real?  
Let me in your arms to feel  
Your beating heart, baby  
The beating of your heart, baby  
Girl, you really got your hold on me  
Girl, you really got your hold on me  
Girl, you gotta get away from me  
'Cause you want nothing to do with me  
Baby, is this love for real?  
Baby, is this love for real?  
Let me in your arms to feel  
Your beating heart, baby  
The beating of your heart, baby  
In spite of you  
Even out of view  
Still I love all of you  
I do, yeah  
In spite of you  
Even out of view  
Still I love all of you  
I do, yeah  
You, you want nothing to do with me  
You, you want nothing to do with me

Baby is this love for real?  
Baby is this love for real?  
Baby is this love for real?  
Let me in your arms to feel  
Your beating heart, baby  
The beating of your heart
