

Rock Me (Re-Recorded)

Great White

Sweet little baby, you don't have to go
Little baby, tell me you won't go
We'd be so good together if we had the time
Bein' alone's a nowhere state of mind Lovin' ain't no crime, oh no
I see your man ain't here, he don't care
The way of the night has gone, we'll move on
Got to find a way to face another day I search the world for someone I'll never find
Someone who ain't the hurtin' kind
If you stay the night, oh yeah
We'll make the wrong seem right, so come on now Rock me, rock me, roll me through the night
Rock me, rock me, roll me through the night
Rock me, rock me, roll me through the night
We'll burn in love tonight Sweet little baby, oh, don't you go, you ain't so innocent, I know
I know your heart's like mine, oh yeah
And I will find the time to make you mine
And if your love goes bad, if it makes you sad
I'll be back for more at your door Rock me, rock me, roll me through the night
Rock me, rock me, roll me through the night
Rock me, rock me, roll me through the night
Before the mornin' light we'll burn with love tonight
Burn with love tonight And when your man don't care, I will be there
Still be lovin' real good love so baby now Rock me, rock me, roll me through the night
Rock me, rock me, roll me through the night
Rock me, rock me, roll me through the night
There's no wrong or right, we'll burn with love Rock me, rock me, roll me through the night
Rock me, rock me, roll me through the night
Rock me, rock me, roll me through the night
There's nothing left to do but make sweet love to you So come on and rock me
