Sanna Nielsen

Silent, I can't wait here silent  
Working up a storm inside my head  
Nothing, I just stood for nothing  
So I fell for everything you saidHear the rumble  
Hear my voiceSilent, I can't wait here silent  
Gotta make a change and make some noiseUndo my sad  
Undo what hurts so bad  
Undo my pain  
Gonna get out, through the rain  
I know that I am over you  
At last I know what I should do  
Undo my sadTrouble, baby I'm in trouble  
Everytime I look into your eyes  
Save me, oh I'm gonna save me  
Far away from all the crazy liesHear the rumble  
Hear my voiceUndo my sad  
Undo what hurts so bad  
Undo my pain  
Gonna get out, through the rain  
I know that I am over you  
At last I know what I should do  
Undo my sad  
[x2]
