

When Can I See You Again

Babyface

When can my heart beat again
When does the pain ever end
When do the tears stop from running over
When does ?you'll get over it? begin
I hear what you're saying
But I swear that it's not making sense
So when can I see youWhen can I see you again
When can my heart beat again
When can I see you again
When can I breathe once again
And when can I see youWhen does my "someday" begin
When I'll find someone again
And what if I still am not truly over
What am I supposed to do then, babe...
Do you see what I'm saying
Even if, if it's not making sense
So when can I see youWhen can I see you again
When can my heart beat again
When can I see you again
And when can I breathe once again
And when can I see you... againYeah, baby
Do you see what I'm saying
Even if, if it's not making sense, baby
So when can I see you againWhen can I see you again
Can my heart beat again, baby
When can I see you again
And when can I breathe once again
And when can I see, babe, againWant to see you again
Again...
