Someone Somewhere In Summertime

Simple Minds

Stay, I'm burning slow, with me in the rain
Walking in the soft rain, calling out my name
See me burning slowBrilliant days, wake up on brilliant days
Shadows of brilliant ways will change all the time
Memories, burning gold memories

Gold of day memories change me in these timesSomewhere there is some place

That one million eyes can't see

And somewhere there is someone

Who can see what I can see? Someone, somewhere in summertime Someone, somewhere in summertime

Someone, somewhere in summertimeMoments burn, slow burning golden nights

Once more see city lights, holding candles to the flame

Brilliant days, wake up on brilliant days

Shadows of brilliant ways will change me all the timeSomewhere there is some place

That one million eyes can't see

And somewhere there is someone

Who can see what I can see? Someone, somewhere in summertime

Someone, somewhere in summertime

Someone, somewhere in summertime

Someone, somewhere in summertime
