Goodbye

Ken Martina

When th' mornin' comes again.. I still feel th' pain.. in m'heart..
Listen to yo'r words; You said, "You're close to di..e..!"

When th' loneliness survives.. I know.. th' time will heal m'heart..
Thinkin' of th' time we had... is sill th' same..!

Good bye.. Good bye.. for yo'r love.. yo'r tearz..
The failure wave n'sigh.. My heart just says.. 'Good Bye..!!'

When th' mornin' comes again.. I still feel th' pain.. in m'heart..
Listen to yo'r words; You said, "You're close to di..e..!"

It's like a movie plays again.. Again.. th' time we had together..
We'll never come back again... To our lives..

Good bye.. Good bye.. for yo'r love.. yo'r tearz..
The failure wave n'sigh.. My heart just says.. 'Good Bye..!!'
