

# Juvenile Delinquent

## April Wine

Yeah, her mama says she's lazy  
But her mama drives her crazy, every day and night  
Yeah (yeah), she's a juvenile exciter  
And her daddy was a writer, for the tv guide  
And she's so bad now, she's so hot, and everyone knows it  
Well we know, well we know it, yeah yeah Yeah, he's a juvenile delinquent  
Been in trouble 'bout as frequently, as he can be  
Yeah, he said his father was a sailor  
His mother was his tailor, till he turned 16  
He's so bad now, he's so hot, and everyone knows it  
He's so bad now, he's so hot, and everyone knows it  
Well we know, well we know it, every day  
They want to put the dude away  
Well it's worth it just to hear you say, there's something wrong We're all juvenile delinquent  
Juvenile delinquent, that's what we all are  
We're all juvenile delinquent, we're  
Juvenile delinquent, that's what we all are And everybody knows, my baby's got new clothes  
And she ain't changed, she ain't changed none  
So go on and be the same, you know you can't escape  
It's all the same, it's all the same  
Well it's worth it just to hear you say, you want to put us all away  
Well you should have done it yesterday, cause it's too late, yeah
