Say right now (right now is the moment)  
Today (today is the day)  
I've been changed (I've been changed)  
Come on someone declare that, I've been changed (I've been changed)  
and I have waited (I have waited for this moment)  
This moment right here I have waited all my life (to come)  
(And I won't let it pass me by...)

Chorus: So we say  
I won't go back, can't go back to the way it used to be  
Before your presence came and changed me  
Would you lift up your voices as loud as you can and say?  
I won't go back, I can't go back to the way it used to be  
Before your presence came and changed me  
Come on, somebody, lift your voice and declare it and say  
I won't go back, I can't go back to the way it used to be  
Before your presence came and changed me  
Somebody say... I won't go back, say I won't go back, I can't go back to the  
way it used to be  
Before your presence came and changed me.
