

Pyramid Song (Live At Canal+ Studios, Paris)

Radiohead

I jumped in the river, what did I see?
Black-eyed angels swam with me
A moon full of stars and astral cars
And all the figures I used to seeAll my lovers were there with me
All my past and futures
And we all went to heaven in a little row boat
There was nothing to fear and nothing to doubtI jumped into the river
Black-eyed angels swam with me
A moon full of stars and astral cars
And all the figures I used to seeAll my lovers were there with me
All my past and futures
And we all went to heaven in a little row boat
There was nothing to fear, nothing to doubt
