Radio With No Sound

The White Buffalo

Come on Mama
Take off these chains
Why don't you set me up front
Where the others arranged
How come you never
Take me to town
Dress me on up
Parade me aroundPlaying make believe
When no one's around
Radio with no sound
Got it all figured out
By the age of thirteen
Video games
And porn magazines
Keep to myself
Silent as the snow
Slam the door to my room
I don't care anymorePlaying make believe
When no one's around
Radio with no soundLife ain't nothing
Like a railroad track
It'll lead ya there
It don't lead you back
Sit round and drink
To my dying day
Let the death of damnation
Take me awayPlaying make believe
When no one's around
Radio with no soundStill playing make believe
When no one's around
Radio with no sound
