

Everybody's Trying to Be My Baby

Carl Perkins

Well, they took some honey from a tree
Dressed it up and they called it meEverybody's trying to be my baby
Everybody's trying to be my baby
Everybody's trying to be my baby, nowI woke up last night, half past four
Fifteen women knocking on my doorEverybody's trying to be my baby
Everybody's trying to be my baby
Everybody's trying to be my baby, nowWent out last night, didn't stay late
Before home I had nineteen datesEverybody's trying to be my baby
Everybody's trying to be my baby
Everybody's trying to be my baby, nowI woke up last night, half past four
Fifteen women knocking at my doorEverybody's trying to be my baby
Everybody's trying to be my baby
Everybody's trying to be my baby, nowWell, they took some honey from a tree
Dressed it up and they called it meEverybody's trying to be my baby
Everybody's trying to be my baby
Everybody's trying to be my baby, now
