# Geared for Gain

## Malevolent Creation

Intrusion, truth twisted, accepting. Degraded, up-ended, besieged = lie.
Gratified, careless dying, power trip. No obstruction, = guiltlessness, conscious dead.
Geared for gain.
Hoarding everything you want, nothing in your way.
Squandering everything, your soul, remains empty.
Hoarding everything you want, nothing in your way.
Squandering everything, your soul, geared for gain.
Breaking souls.
Selfishness feeds your head, fills your needs. Tormenting, soul = breaking, acquired gain.
Everything has a price, including life. Passed down generation = exploitation.
Gain, gain.
Breaking lives, breaking souls, taking pleasure in acquiring all. = Garnish fool, knows no wrong, amused by suffering, explicated sin.
Inside the brain, undisciplined, drawn to pain, geared for gain.
