

# Monsters (Acoustic Version)

## Ruelle

Ah ah ah oh You've got no place to hide.  
And I'm feeling like a villain, got a hunger inside.  
One look in my eyes, and you're running cause  
I'm coming going to eat you alive. Ah ah ah oh Your heart hits like a drum, Oh, oh oh  
The chase has just begun, oh, oh, oh Monsters stuck in your head  
we are, we are, we are  
Monsters under your bed  
we are, we are  
We are Monsters oh, oh  
we are, we are, we are monsters oh  
Ah ah ah oh - One misstep, you're mine  
And you better stay clever if you wanna survive  
Once you cross the line  
You'll be wishing you would listen when you meet your demise  
Ah ah ah oh Your heart hits like a drum, Oh, oh oh  
The hunt has just begun, oh, oh, oh Monsters stuck in your head  
we are, we are, we are  
Monsters under your bed  
we are, we are  
We are Monsters oh, oh  
we are, we are, we are monsters oh  
we never shoot to stun, we're kings of the killing  
we're out for blood, we'll take them one by one  
we're kings of the killing, we're out for blood  
we never shoot to stun, we're kings of the killing  
we're out for blood, we'll take them one by one  
we're kings of the killing, we're out for blood  
Monsters stuck in your head  
we are, we are, we are  
Monsters under your bed  
we are, we are  
We are Monsters oh, oh  
we are, we are, we are monsters oh  
ah, ah, ah, ah, ah, oh
