You Know I Like

Keith Sweat

Yeah, what you wanna do?
Do you want me like I want you?
Come on, come on
Baby, baby bring it in
Baby, bring your body in
You know I like it
You know I like
Baby, baby bring it in
Baby, bring your body in
You know I like it
You know I like
Hey, little babe, what's up tonight?
I'm in the mood to love you right, yeah, yeah
See it the first day but then it's your birthday
I wanna do it right, come on
Unplug the phone for me and you
There's nothing, girl, I wanna do
We will rock the love and maybe
Until we get it right, if it takes all night
Baby, baby bring it in
Baby, bring your body in
You know I like it
You know I like
Baby, baby bring it in
Baby, bring your body in
You know I like it
You know I like
Lay your body next to mine
Girl, I wanna take my time, oh yeah

Let me caress you, I wanna undress you
And do the things I know you like, yeah yeah
Let's make this love go on and on
I'll will not never do you wrong
This is the moment, baby
I don't want to end, let's do it all over again, baby
Baby, baby bring it in
Baby, bring your body in
You know I like it

You know I like
Baby, baby bring it in
Baby, bring your body in
You know I like it
You know I like
Baby, baby bring it in
Baby, bring your body in
You know I like it
You know I like
Baby, baby bring it in
Baby, bring your body in
You know I like it
You know that I like it, girl
I like the way you make me feel
I like the way
I like the way you make me feel
I like the way
I like the way you make me feel
I like the way
