Tell Me Where

Tevin Campbell

Ooh babyI know your story
He stayed out late last night and he didn't even call
But don't you worry
You can cry on my shoulders, I just wanna hold ya
'Cause I'm the one that cares for you
And when you get lonely you can call on me, girlTell me where
Where it hurts you and I'll kiss you there
Tell me where
Where it hurts you, baby and I'll kiss you thereNo pain, no sorrow
I'll be there for you when you wake up tomorrow
So don't cry, don't worry
I'll be there quicker than quick and faster than a hurry
'Cause I'm the one that cares for you
And when you get lonely baby, you can call on me, girlTell me where
Where it hurts you and I'll kiss you there
Tell me where
Where it hurts you, baby and I'll kiss you thereI don't think he's gonna call you
Just goes to show you that he don't really know
Just goes to show you that he don't really knowTell me where
Where it hurts you and I'll kiss you there
Tell me where
Where it hurts you, baby and I'll kiss you thereOh, tell me
I don't think he's gonna call you
Just goes to show you
Just goes to show youI don't think he's gonna call you
Just goes to show you
Just goes to show youTell me where
Where it hurts you and I'll kiss you there
Tell me where
Where it hurts you and I'll kiss you thereTell me where
Where it hurts you and I'll kiss you there
Tell me where
Where it hurts you and I'll kiss you thereTell me where
