

Less Than Three

Emmy the Great

Shh

So I guess that I'm the comedian
When I say "What's the deal
With all of these games we play?"
And I can't stop having these feelings
You've got me saying "Oh my God"
Cause you give and then you take away.

Every day,

You make me weak like a heartbeat.
But you go too slowTake it slow like a heartbeat.

Take it slow

Take it slow like a heartbeat.

Take it slow

I lose control of my heartbeat.

Take it slow

Take it slow like a heartbeat.So I guess that you're the comedian

Cause you keep killing me

What you do is killing me.

And I don't stop having these feelings

You've got me saying "Oh my God"

With all the shit you're feeding me.

Every day,

You make me weak like a heartbeat.
But you go too slowTake it slow like a heartbeat.

Take it slow

Take it slow like a heartbeat.

Take it slow

I lose control of my heartbeat.

Take it slow

Take it slow like a heartbeat.
