

This Is My Now

Jordin Sparks

There was a time I packed my dreams away
Living in a shell, hiding from myself
There was a time when I was so afraid
I thought Iâ'd reached the end
Baby, that was then
But I am made of more than my yesterdays

This is my now
And I am breathing in the moment
As I look around
I can't believe the love I see
My fear's behind me
Gone are the shadows and doubt
That was then
This is my now

I had to decide
Was I gonna play it safe
Or look somewhere deep inside, try to turn the tide?
Find the strength to take that step of faith?

This is my now
And I am breathing in the moment
As I look around
I can't believe the love I see
My fear's behind me
Gone are the shadows and doubt
That was then
This is my now

I have a courage like never before, yeah
I settled for less, but I'm ready for more
Ready for more

This is my now
I am breathing in the moment
As I look around
I can't believe the love I see
My fear's behind me
Gone are the shadows and doubt

That was then

This is my now
I am breathing in the moment
As I look around
I can't believe the love I see
My fear's behind me
Gone are the shadows, doubt
That was then
This is my now
This is my now
