Promise Ring

Tiffany Evans feat. Ciara

T.U.G. ...Jhene...one for the trucks
[Chorus]Sometimes I feel so unsure, thinking my baby don't love me no more
And that's when I get to trippin,
Accuse him of things that are all in my head
I don't want to feel insecure, but saying it ain't enough
Show me what's up, some kind of token of love

It don't have to cost that much
Make me blush
And slide one on my finger
[Chorus]If you buy me a promise ring I'll give you my everything
Yes or No boy don't you say maybe come be my baby and I'll be your girl
Promise Ring or Jacob watch that's the way to win my heart
I'm hanging on
