

# Promise Ring

**Tiffany Evans feat. Ciara**

T.U.G. ...Jhene...one for the trucks  
[Chorus] Sometimes I feel so unsure, thinking my baby don't love me no more  
And that's when I get to trippin,  
Accuse him of things that are all in my head  
I don't want to feel insecure, but saying it ain't enough  
Show me what's up, some kind of token of love

It don't have to cost that much  
Make me blush  
And slide one on my finger  
[Chorus] If you buy me a promise ring I'll give you my everything  
Yes or No boy don't you say maybe come be my baby and I'll be your girl  
Promise Ring or Jacob watch that's the way to win my heart  
I'm hanging on
