

# Round the Bend

[Beck](#)

We don't have to worry  
Life goes where it does  
Faster than a bullet  
From an empty gun Turn yourself over  
Loose change we could spend  
Grinding down diamonds  
Round, round, round the bend  
Round, round, round the bend People pushing harder  
Up against themselves  
Make their daggers sharper  
Than their faces tell Babe, its your time now  
Loose change we could spend  
Where you are going  
Round, round, round the bend  
Round, round, round the bend
