

# Cowboy Casanova

## Les Mills

You better take it from me  
That boy is like a disease  
You run and you try and you're tryin' to hide  
And you're wondering why you can't get free  
He's like a curse, he's like a drug  
You'll get addicted to his love  
You wanna get out, but he's holdin' you down  
'Cause you can't live without one more touch  
He's a, a good time, cowboy Casanova  
Leaning up against the record machine  
He looks like a cool drink of water  
But he's candy-coated misery  
He's the devil in disguise, a snake with blue eyes  
And he only comes out at night  
Gives you feelings that you don't want to fight  
You better run for your life  
I see that look on your face  
You ain't hearing what I say  
So I'll say it again, 'cause I been where you been  
And I know how it ends, you can't get away  
Don't even look in his eyes  
He'll tell you nothing but lies  
And you wanna believe but you won't be deceived  
If you listen to me and take my advice  
He's a, a good time, cowboy Casanova  
Leaning up against the record machine  
He looks like a cool drink of water  
But he's candy-coated misery  
He's the devil in disguise, a snake with blue eyes  
And he only comes out at night  
Gives you feelings that you don't want to fight  
You better run for your life  
Run run away, don't let him mess with your mind  
He'll tell you anything you wanna hear  
He'll break your heart, it's just a matter of time  
But just remember  
He's a, a good time, cowboy Casanova  
Leaning up against the record machine  
He looks like a cool drink of water

But he's candy-coated misery  
He's the devil in disguise, a snake with blue eyes  
And he only comes out at night  
Gives you feelings that you don't want to fight  
You better run for your life  
Oh, you better run for your life  
Oh, you better run for your life
