

I Go Hard (feat. Kat)

T.I.

[Hook Â€" Kat]

I go hard

See me running down the electric boulevard

Get up out of my face before the problem starts

If you want to act tough then meet me in the yard

Cause I go hard[Verse 1 Â€" TI]

Talk to em, concrete salad

Please donÂ€Â™t confuse me with a wannabe, shawty

IÂ€Â™m a dope boy, remember me from 100 street probably
With a chopper in the Â€Â˜partment, get your wannabe bodied

Gotta angry mob at your front door

Commandin' 360 O's at the condo

Put all the jewelry in the bag with the bankroll

Or else your momma gon' be mourning like Alonzo

Then I be stuck in county, now [?] fucking fine bout it

He was 17 years old thugging

Shoot, I said who we, we donÂ€Â™t even speak

DJ Cannon blamming in the middle of the street

Come on[Hook][Verse 2 Â€" TI]

Ay, this concrete salad

Trap certified, shawty ask somebody

Hold up, there go, that sucker shit been running with it

Oh you winning fights? IÂ€Â™m used to winning war, come on with it

Yeah, ay, keep playing round with it

Throw you down and I stand up to the [?] with the gun, I did it

Look, and I ainÂ€Â™t bullshitting

Only one thing I require from a man

Respect when I look in the eyes of a man

And your words just as good as the lies of a man

Man, you violationg, demonstration gon be mando

Guns like Amanda, take it far as it can go[Hook][Verse 3 Â€" TI]

Ok, if you ainÂ€Â™t heard, me and concrete salad

Best believe we are [?] under these niggas, try me

Keep it cool in the field when the shot fly by me like

Nigga stand still, five shots, I got it

Lights out, watch it go from a dot to the red spread

And he slumped over, all [?] now

Ay ask him what he think about it now

Ay never mind, I donÂ€Â™t want to talk about it now

Well, [?] again talk about it, how he out of here
Big shawty when he be talking to molly now
[?], get pound, 65 hundred if I drive to your town
Now cash, IÃ¢Â€Â™m the man when I ride through your town
Or I ride till I die on all the guys in your town
Now, will you pardon me
But you pussy ass niggas ainÃ¢Â€Â™t hard to me, cÃ¢Â€Â™mon[Hook][x2]
