

I Love You So

B.B. King

Oh my darling, I was so lonely
Searching for you and for you only
Oh my darling I love you so Oh my darling, my love is true
Longing for you, no one else will do
Oh my darling, I love you so When I first saw you dear, I knew you were alone
I said to myself that I'd make you my own
Your brother caught us kissing
I thought he would surely tell
Until he started playing those wedding bells Now my darling I'm yours forever
Don't ever leave me, leave me never
Oh, my darling I love you so When I first saw you dear, I knew you were alone
I said to myself, that I'd make you my own
Your brother caught us kissing
I thought he would surely tell
Until he started playing those wedding bells Now my darling, I'm yours forever
Don't ever leave me, leave me never
Oh my darling, I love you so Oh, yes it's true, now I have you
And best of all I know now
That I'll never have to be blue
Oh, baby, I love you so I mean you, baby
