$Unset $Trip

O.G. 2Fly

(Verse 1)

We can get away just you and me.

Living out our dreams on the L.A. scene.

In the Hills close to the Hollywood sign.

Brand new Rolex, still don't check the time.

Partying all night makes me feel alive.

Palm trees line every Avenue.

Getting naked & Californicating, is all that's on my mind.

When I'm with.
When I'm with you.

(Hook)

Movie Stars & foreign cars.

On the Sunset Strip.
On the Sunset Strip.

Weed Jars & Xanax bars.

On the Sunset Strip.
On the Sunset Strip.

(Verse 2)

Street lights glowing off my brand new Jeep,seems to be just like moments in front of me.

Blow a few G's on new clothes(Oh-Ohs).

Shopping spree on Fairfax, Rodeo, & Melrose.

I'm slidin', I'm ridin', & I'm rollin' on chrome.

Strap in my lap & I'm in my zone.

Kush rolled up, got drank in my cup.

Get throwed & watch the sunset on the beach.

Just you and. You and me.

(Hook)

Movie Stars & foreign cars.

On the Sunset Strip.
On the Sunset Strip.

Weed Jars & Xanax bars.

On the Sunset Strip.
On the Sunset Strip.

Movie Stars, Foreign Cars, Weed Jars, Xanny Bars, Candy Paint, Bathing Apes, Thugs, Strip Clubs, people on that paper chase, Billie Jean, Triple Beams, Kilos, G-Code, in the land of dreams.
