Nobody Knows

Jls

I pretend that I'm glad you went away
These four walls closing more every day
And I'm dying inside
And nobody knows it but me
yeah yeah
Like a clown I put on a show ey
The pain is real even if nobody knows
And I'm cryin inside
And nobody knows it but me
Why didn't I say the things I needed to say
How could I let my angel get away
Now my world is just tumblin' down
I can say it so clearly but you're nowhere around
The nights are so lonely the days are so sad
And, I just keep thinking about the love that we had
And I'm missing you and nobody knows it but me
yeah yeah
Lie awake, it's a quarter past three
I'm screaming at night if I thought you'd hear me

Yeah, my heart is calling you
And nobody knows it but me
Million words couldn't say just how I feel
A million years from now you know I'll be loving you still
The nights are so lonely the days are so sad
And, I just keep thinking about the love that we had
And I'm missing you and nobody knows it but me
yeah
whooo oooooh yeaah yeaah nobody nobody
Say when the nights are lonely
The nights are so lonely the days are so sad and
I just keep thinking about the love that we had
And I'm missing you and nobody knows it but me
nobody nobody
nobody but me
The nights are so lonely the days are so sad and
I just keep thinking about the love that we had
And I'm missing you and nobody knows it but me
