Abstract Life

Pyogenesis

(music: Tim Eiermann / Flo Schwarz lyrics: Tim Eiermann)
a furious form of life in an age of distrust
just everything falls apart
no soft beating heart
dead colour of night
death coloured the night
just a deep black light
broken dreams, this anger pulls me through
a violent (useless) mind forever I lose you
abstract life - I need your..
abstract life - abstract sentimental
wet lipstick scarce and eyeballs badly pierced
mouth full of salty fluid nausea takes control
dead colour of flesh
death coloured the flesh
underwear full of ash
dead colour of flesh
boiled and scared oh love
I'm one with you
I lick the moon and cut my veins all through
abstract life - I need your..
abstract life - abstract sentimental
