Stay Hungry

Rasmus Kellerman

Are you feeling the fire
Are you ready to explode
Are your dreams and desires
Riding down an open road
I'm like a runaway
A heart without a home
Others can laugh and play
I'll fight for every inch I take
I'm desperate to the bone
Stay hungry, feel the fire
Stay hungry, don't explode
Stay hungry, with desire
Stay hungry, you're alone
Be the hunter and the hunted
Keep your target in your sight
Don't be side tracked or shunted
Let pretenders feel your bite
And if you start to slide
Never show you're weak
Don't feel you've got to hide
Remember what you're fighting for
Remember what you seek

Stay hungry, feel the fire
Stay hungry, don't explode
Stay hungry, with desire
Stay hungry, you're alone
If your fire is faded
And you can't feel it no more
If you're tired and over-rated
Let me show you to the door
Expect no sympathy
There's none to be had
Open your eyes and see
There's no room for the wannabe's
The has-beens or the bad
Stay hungry, feel the fire
Stay hungry, don't explode
Stay hungry, with desire

Stay hungry, you're alone
Stay hungry, feel the fire
Stay hungry, don't explode
Stay hungry, with desire
Stay hungry, you're alone
